

**LET'S GET TO
THE POINT**

The Point Is

- Quality boxes need quality made knives
- Knives need to be long lasting, made to OEM specs.
- They need to be competitively priced.

Our Point

- For more than 120 years, we have produced quality knives.
- Our steel and through-hardened heat treating ensure longer life.
- Our knives are supplied to OEM's with correct thickness, hardness and quality.

The point is, Huther Bros., Inc. makes a better knife competitively priced, with quick deliveries and a national sales force to service your needs.
